Settlement Alert !!!

We're excited to share a recent victory here at Levian Law. We successfully secured a \$100,000 settlement for our client whose former employer failed to provide legally required lunch and rest breaks, in clear violation of the California Labor Code. Our client was thrilled with the outcome—and we're just as happy knowing we were able to make a real difference for her. Helping people get the justice they deserve is why we do what we do.
