Legal Tips for the Winter Season

Hi There,

As we step into the winter season, Levian Law wants to ensure you stay safe and legally protected. Here are some essential legal tips to keep in mind:

Tip #1

If you're visiting the mountains for ski, and if you're forced to sign a liability waiver, make sure its enforceable.

Here are some tips if you're reviewing those liability waivers:

- The waiver cannot cover gross negligence, willful misconduct, or other serious types of negligence.
- The waiver cannot illegally waive unknown or unrelated claims.
- The waiver cannot be ambiguous, and any ambiguity is usually interpreted against the drafter.

Remember: If you get hurt, always complete an incident report so that the injury is on record.

Tip #2

- Drive very carefully in the rain and snow or ice.
- Make sure you drive below the speed limit and visibility is limited.

At Levian Law, we are dedicated to keeping you informed and protected. If you ever need legal guidance, we're here for you.

Stay safe and enjoy the winter season!

Warm regards,
The Levian Law Team
